

TRAILS WITHOUT LIMITS

Join us for a hike with
our Adaptive Hike Program!

This program allows individuals living with cerebral palsy, spinal cord injury, amputation, paraplegia, are elderly, or have other disabilities the opportunity to immerse themselves in Westchester County Parks. Our All-Terrain Trackchair program is offered at no cost to the user.

scan the code to learn more

Individuals with their family, friends, and/or caregiver, will experience an approximately 1-2 mile hike guided with one of our volunteers. The program will rotate throughout Westchester County Parks March-November.

If you would like to know more about the 2023 season, please contact the Trails Without Limits Coordinator by e-mail at office@thewpf.org
