

Current Job Openings

The Westchester County Department of Human Resources posts a list of current job openings each week. Please note:

- These openings are posted for a specific period (usually 10 business days), after which they will no longer appear on our Web site.
- Applications must be sent no later than the "Post Until" date to the person specified on the job posting.
- In keeping with collective bargaining agreements, current county employees who apply are considered before applicants outside county service.
- Titles in the competitive class (class = "C") will be subject to a civil service examination in order to achieve permanent civil service status.

You may open and print an [employment application \(/component/content/article?id=60&Itemid=267\)](/component/content/article?id=60&Itemid=267) for completion.
