

## WESTCHESTER PARKS FOUNDATION WEBSITE – VOLUNTEER PROGRAM STAFF

### MARY BENJAMIN, MANAGER OF VOLUNTEER PROGRAMS

Mary started as the Manager of Volunteer Programs with the WPF in 2021. Before working with the Foundation, Mary worked for 5 years with the Westchester County Department of Parks, Recreation and Conservation as an educator at Muscoot Farm. There she helped design and run public programs for every season with the aim of connecting visitors to Westchester's agricultural history. She was also lucky enough to meet two best friends there: a Jersey cow named Iced Tea, and her husband Jonathon. She loves connecting people to the parks because she truly believes they have something for everyone!

### ADAM LIPPMAN, VOLUNTEER COORDINATOR

Adam joined Westchester Parks Foundation in March 2020 as Volunteer Coordinator. Originally from a marketing and design background, Adam's love for nature, backpacking and volunteering on the Appalachian Trail led him to the more rewarding path of conservation, advocacy and sharing his passion for volunteering.

### MEGAN LEAHY, VOLUNTEER COORDINATOR

Megan joined Westchester Parks Foundation in 2023 as a Volunteer Coordinator. Before finding her way to WPF, Megan worked at a variety of jobs including at a native plant nursery, as a Community Volunteer Ambassador with the National Park Service, and leading youth conservation crews.

Originally from Pennsylvania, Megan is excited to explore the many beautiful parks in the area. She loves spending time outdoors in any capacity, but especially gardening, kayaking, hiking, and sitting in the sun to read a good book.
