You can make a difference in the parks and trails that you love! Since 2015, over 25,000 members of the community have contributed 76,000 hours of service to Westchester's incomparable parks.

Westchester Parks Foundation volunteers are students earning volunteer credits for school or religious education requirements, scouts on the lookout for a great project, local businesses interested in a team building activity, or anyone looking to put their skills to good use to help out our county parks. Join us to help support your favorite parks!

Year-Round Community Projects All tools, gloves,

and instruction provided!

Sign up for as many as
you like.
