

Summer Green-tern Application

Please note registration for Tibbetts Brook is currently full; you can still apply, but you will be put on a waitlist

Thank you for your interest in our Summer Green-ternship program!

During this internship, you will help remove invasive Water Chestnut from lakes while engaging with the community.

This internship takes place in two sessions, each Wednesday through Saturday during a two week period. You may apply to one or both depending on your schedule and the locations, listed below. Please note this is an unpaid internship.

If you require another method of applying or have any questions, email Megan at megan@thewpf.org or call 914-821-5874. **Please submit applications by Saturday, July 1.** After applying, someone will be in touch to schedule a brief phone interview; **please add the email address above to your contacts so this doesn't go to spam.**
