1 month

How many hours has this volunteer contributed in their time with WPF?

91

What are this volunteer's strengths?

[REDACTED] was great at using creativity to produce original and engaging social media content. She was also friendly, outgoing, and open to feedback.

What are this volunteer's areas for improvement?

[REDACTED] could improve in punctuality and time management. She is still new to the work force so I anticipate that with more experience she will become a reliable addition to any staff.

Would you recommend this volunteer for future volunteer assignments? Why or Why not?

Yes, [REDACTED] would be great at leading volunteers in a litter cleanup. With more experience she could eventually lead a more advanced program like invasive species management. She would also be good at email outreach to community partners.

Would you recommend this volunteer for a paid position in a related field? Why or why not?

Yes, [REDACTED] would be reliable in a paid position at her level, something entry-level in the parks like assistant educator or camp counselor where she could develop her skills..

When thinking about this volunteer's performance, please rate the following areas 1-5. (1 - very unsatisfactory, 2 - unsatisfactory/needs improvement, 3 - neutral, 4 - generally positive, 5 - outstanding)
