

# Westchester County Department of Parks & Recreation Conservation

Facility: Sprain Ridge Pool

Work Order # SRP 4-27-23 Vacuum Pool Balance Tanks

Section: Pool Deck Balance Tanks

Budget Code: 42-4500

**Description of Work:**

We will need a vac truck to come to Sprain and suck up all the debris in the pools balance tanks. We have 3 tanks in total. Each tank is located next to each pool on the pool deck. At the same time I would need to do Confined space. So I can go into the pits and close the valves and make sure we are ready for the season.
