

Westchester County Department of Parks & Recreation Conservation

Facility: Willson's Woods Park

Work Order # WWP 06-28-23 Transfer Pump

Section: WWP Chlorine Transfer Pump Filter Room

Budget Code: 42-4450

Description of Work:

Need G.M plumbers to come and replace leaking Chlorine Tranfer Pump in the filter room. This particular pump is extremely important as it pumps the chlorine from the storage room into the 500 gallon tank in the filter building. (pictures attached)
