

Recycling Policy

1. Purpose

The purpose of the Recycling policy is to support the mission of the Westchester County Department of Parks, Recreation and Conservation and promote agency values of environmental sustainability. This policy recognizes that recycling is required within Westchester County, is in the best interest of the County and the Department, and commits PRC facilities to improving conditions.

2. Policy

This policy will be segmented based on category, and the intent is to provide guidance in different areas of Environmental Sustainability.

A. General Statement

In 2021 the Westchester County Source Separation Law was last updated. This law sets out the parameters for recycling in Westchester County as a whole, and PRC facilities are required to follow this as would any other resident or municipality.

B. Recycling and Waste Reduction

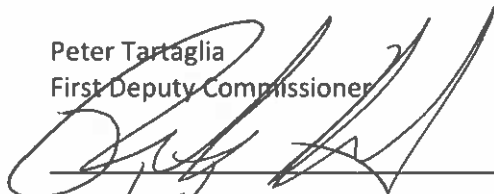

1. All PRC facilities shall comply with Chapter 825 of the Laws of Westchester County on Source Separation.
 - a. Recycling shall be taken by each facility to the nearest municipal recycling yard in accordance and pending any local laws.
 - b. Evidence of recycling shall be kept by facilities on the document on the shared drive, including amount recycled.
2. Many PRC facilities utilize a Carry-In Carry-Out policy and are posted as such. Those that are not or those that have concessions shall recycle per the Source Separation Law.
