

PRC Administrative Manual Section 415 A Public Safety Liaison

415A Public Safety Liaison

Deputy Commissioner Peter Tartaglia is the department's liaison to Westchester County Department of Public Safety with the responsibility of overseeing and monitoring all park needs, procedures and problem resolutions regarding the safety and security of visitors and employees. All divisions should conduct their regular or annual meetings with Public Safety representatives for specific police needs for facilities and/or programs but include Peter in the discussions, meetings and tours of the facilities. Public safety, evacuation and shelter plans will be reviewed as needed. The goal is to provide a safe environment for park visitors and workers.
