2. All such positions shall be evaluated in accordance with the County's systems for job evaluation. The application of the County's systems for job evaluation shall result in each position title being assigned to a specific job group, subject to Legislative approval if necessary.
3. The County reserves the right to reclassify or reallocate any title, subject to Legislative approval.
4. No Employee shall be employed or appointed under any title not appropriate to the duties to be performed as defined in the specification for that title.

B. Definitions

1. a. "Classification" is the process by which a position title is assigned to a set of specified duties and responsibilities.
b. "Reclassification" is the process of changing the position title which has been assigned to specific duties and responsibilities to another position title in order to reflect the duties and responsibilities more accurately.
c. Reclassification may result in a change to a position title in a lower job group, the same job group or a higher job group.
2. a. "Allocation" is the process of assigning a position title to a salary range.
b. "Reallocation" is the process of assigning a position title to another salary range in order to effect more equitable and appropriate payment for the performance of the duties and responsibilities of the position.
c. Reallocation may result in a change to a lower salary range or to a higher salary range.

C. Classification and Compensation Appeals Board

1. There is hereby established a Classification and Compensation Appeals Board composed of the Commissioner of Human Resources who will act as Chairperson, the Budget Director, rotating Department Heads (one (1) at a time) to be appointed by the County Executive, and two (2) representatives of the Union to be appointed by the County Executive from a list submitted by the President of the Union.
2. The Budget Director and the Commissioner of Human Resources may designate members of their respective staffs to act on their behalf at any meeting of the Board.
3. All cases to be considered by the Board for appeal shall have a hearing commence within forty-five (45) days of the filing. Recommendations made by the Board shall be voted upon by a majority of the five (5) members or designees.

ARTICLE IV - COMPENSATION, Section 1 - Classification and Compensation (continued)

4. The Board is empowered to consider appeals made by Employees and Department Heads (regarding appeals by their Employees) of reclassification and reallocation decisions made by the official in charge of Classification and Compensation in the Department of Human Resources and to recommend reversal or modification of such decisions to the Commissioner of Human Resources.

D. Reclassification and Reallocation

1. Any Employee may request in writing that the Department of Human Resources study the duties of the Employee's position in order to determine its proper position title or proper allocation (i.e. salary range).
2. Such requests may also be made by any County Officer and/or Department Head for any individual position or group of positions under their supervision. The Commissioner of Human Resources may also initiate such studies.
3.
 - a. The Commissioner of Human Resources will communicate in writing the decision to all appropriate parties within the time limits specified below.
 - b. In the event that the study results in a decision with which the Employee requesting the study does not agree, the Employee may appeal the decision, in writing, to the Classification and Compensation Appeals Board no later than five (5) working days from receipt of the communication from the Department of Human Resources.
 - c. In the event that no appeal of the decision is filed within the required time, the matter will be closed for a minimum of twelve (12) months and will only be reconsidered after the twelve (12) month period if there has been a substantial change in duties and responsibilities.
4.
 - a. In the event that the decision of the Classification and Compensation Appeals Board is to reclassify the position, the Commissioner of Human Resources may approve of the use of the recommended title on a tentative basis and may submit such recommendation to the Budget Committee of the Board of Legislators for consideration and timely action if required.
 - b. In the event that the decision of the Classification and Compensation Appeals Board is to reallocate the position, the Commissioner of Human Resources may submit such recommendation to the Budget Committee of the Board of Legislators for consideration and timely action.
5. No Employee whose salary is increased by such reclassification or reallocation shall have any claim against the County for the difference, if any, between the salary of the position under the old title and that of the new position under the new title for any period prior to the date such change in salary becomes effective.
6. The salary of an incumbent of any position which is reclassified or reallocated shall not be reduced for the then incumbent by reason of such reclassification or reallocation so long as such position is held by the then incumbent.
7. Reclassification to a title for which an eligible list exists will not be made effective until such time as the then incumbent has had an opportunity to compete in an examination for said new title.

ARTICLE IV - COMPENSATION, Section 1 - Classification and Compensation (continued)

E. Effective Date

1. Approval of new titles, reclassifications and reallocations shall be determined by:
 - a. New Titles Board of Legislators
 - b. Reclassifications:
 1. To Existing Titles Budget Director
 2. To New Titles Board of Legislators
 - c. Reallocations of Existing Titles Board of Legislators
2. The Department of Human Resources will process all new titles, reclassifications and reallocations and submit them to the Budget Director or the Board of Legislators, as the case may be, no later than ninety (90) working days, or one hundred eighty (180) working days in the case of a class of titles involving more than one (1) Department, after the date of receipt of the request for study, except as described in D. 7. above.
3. When action is taken by the parties indicated in **Section 1** above, the effective date shall be retro-active to the date the case was filed, unless the action is taken within the time frame established in 2. above.

F. Job Posting and Promotions

1. Any advancement of an Employee from a position in one (1) title to a position in another title for which a higher maximum rate of pay is prescribed shall be deemed a "promotion".
2. All job and promotional opportunities shall be posted conspicuously on designated bulletin boards readily accessible to all Employees in all Departments and all satellite offices prior to the examination or filing of the positions to allow Employees currently employed to apply for same. When a position is posted, a copy will be provided to the Union.
3. In the absence of an eligible list for a "competitive" position to be filled by promotion or by hiring, and in all instances where a position to be filled is in the "labor" or in the "non-competitive" class, the appointing authority shall first consider the qualifications of applicants who are currently employed by the County before considering applicants from outside the County service.
4. When promotional and/or provisional examinations are scheduled for Employees during working hours, the Employee will be granted release time for such examination.

The County will make a reasonable effort to release an Employee from working hours immediately prior to taking a Civil Service exam. However, in no event shall this clause require the County to release an Employee on a calendar day other than the day the exam is actually given.

G. Job Posting Procedure

1. Procedure

The posting of job opportunities will be done simultaneously at two (2) levels - Departmentally, and County-wide, for ten (10) business days, with due consideration and preference given to applications received as a result of the Departmental posting.

ARTICLE IV - COMPENSATION, Section 1 - Classification and Compensation (continued)

2. Posting

- a. The Department of Human Resources will distribute a posting notice to all County Departments and will supervise the screening of all résumés or applications referred for consideration, and the Department Head, or their representative, will post, in conspicuous places, an announcement of the vacancy, including a brief description of the duties which shall conform to the duties and qualifications of the job specifications as promulgated by the Westchester County Department of Human Resources and required qualifications, and a contact person to whom résumés or applications should be referred. Such posting shall be distributed to the Union.
 - b. After ten (10) business days have elapsed, the Department of Human Resources will forward to the appointing officer the résumés and applications which meet the required qualifications.
 - c. The appointing officer will consider the applicants, giving preference to résumés or applications received as a result of the Departmental posting in the affected Department, and if an appointment is made, report the name of the successful applicant to the Department of Human Resources.
3. In the event that the postings, Departmentally, or County-wide, fail to result in a placement, the County may take any further action as it deems necessary in securing applicants.
 4. When more than one incumbent Employee applies for a promotional position, the County shall consider the relative seniority standing of said incumbent Employees. However, it is understood that the primary factors determining which Employee, if any, shall be awarded the promotional position are:
(1) the ability of the Employee to perform the job and, (2) the overall needs of the Department (including future promotional potential).

H. Reclassification, Reallocation and Promotion Salary Increase Formula

1. The formula for computing a salary increase which may result from reclassification or reallocation and which must result from promotion is as follows:
 - a. Add the amount of one (1) annual increment of the present salary range to the present salary;
 - b. Pay the lowest step in the new salary range which is not less than the sum arrived at in "a." above.

I. Increments

1. Increments referred to above are in no sense automatic, nor are they to be considered as earned solely due to the passage of time.
(Longevity increases based on years of service are not considered as increments).
2. Increments referred to above are subject to the approval of the Department Head. Such approval may not be unreasonably withheld. Any denial of an increment must be supported by written documentation dealing solely with the Employee's performance or attendance or conduct or a combination of these factors and must be communicated to the Employee in writing at least thirty (30) days prior to the increment due date.
3. The denial of an increment is subject to the grievance procedure starting at Step 2.

J. Annual Structure

1. Except as otherwise provided, allocations to job groups and assignments of salary scales to job groups are for the purpose of compensating for Full-Time annual service.

ARTICLE IV - COMPENSATION, Section 1 - Classification and Compensation (continued)

2. The actual accumulated compensation paid in any year shall be considered the full amount due the Employee for that year under the annual rates established.

K. Above Minimum Recruitment

1. The Commissioner of Human Resources may recommend recruitment at a rate above the minimum if it is impractical to recruit for a position at its then minimum salary.
2. The County may hire new Employees up to Step Four (4) without having to raise the salaries of all incumbents of such positions to such rate of pay. If the County hires at Step Five (5) then all incumbents of such positions currently at Step Four (4) would be raised to Step Five (5).

Section 2 - Job Classifications and Job Groups

The current list of County Job Classification and Job Groups (as may be amended from time to time) is annexed as **APPENDIX B - COLLECTIVE BARGAINING UNIT TITLES**.

The Union shall receive copies of all new titles and specifications and/or updating of titles and specifications that are sent to the New York State Civil Service Commission within ten (10) days of the creation.

Section 3 - Compensation

Authorized time off shall not be included in these forty days. An Employee shall also be removed from the Docking Program if while in such program for a period of four consecutive months the Employee is not served with disciplinary charges related to their time abuse. An Employee removed from the Docking Program shall be placed back in the program only if they are late five (5) times in a calendar month as above.
- C. The time lost due to inappropriate latenesses is to be accumulated for each bi-weekly pay period in minutes. The amount of time to be docked when the Time and Attendance Report is submitted to the Finance Department will be:

APPENDIX I

DRUG TESTING PROCEDURE

1. When an Employee is required to submit to **Urinalysis** as part of the County's **Drug Testing** policies, such requirement shall be consistent with the Laws and Constitution of the United States, and the State of New York, and performed in accordance with Federal standards, performed by a laboratory certified by the Department of Health and Human Services. **Alcohol Testing** will be conducted using **Evidential Breath Testing** devices certified according to specifications approved and maintained by the U.S. Department of Transportation.
2. Where the Employee is required to submit to such test(s), the following conditions shall apply:
 - A. All procedures from the order to take such test to the testing itself shall be done in a manner to minimize embarrassment of the Employee, and to minimize awareness in others that such is being required or performed.
 - B. The supervisor shall make a good faith effort to allow the Employee an opportunity to consult the Union before submitting to such test(s). However, no such test shall be delayed more than ninety minutes from the time the Employee is ordered to take such test. During the waiting period, the Employee must remain at a location designated by the employer. Notification of the Union shall be made in the following manner.
 - C. Subject to the above, the testing shall be done at the location designated by the County.
 - D. All testing will be conducted according to prescribed Federal guidelines including gas chromatography/mass spectrometry to confirm presumptive positives according to Federal detection levels. Testing shall be for any and all controlled substances as identified by **Title M of Article M of Article 220 of the New York State Penal Law**, and in **Schedules I-V of 21 U.S.C.** The Employee shall cooperate with all guidelines to insure specimen security, and a refusal to test shall be deemed a positive result. Copies of test results shall be sent to the Union and the County.
 - E. All such tests will be fully paid for by the County.
 - F. The following procedure shall be used to insure proper processing:
 - (1) The urine specimen shall be taken promptly with as little delay as possible.
 - (2) Immediately after the specimen is drawn, the split sample container shall, in the presence of the Employee, be labeled and then initialed by the Employee. The Employee has an obligation to initial the container according to the chain of custody protocols identified by a certified collector.
 - (3) The split specimen container shall be placed in the transportation container and shall be sealed in the Employee's presence, and the Employee shall be given an opportunity to initial or sign the transportation container.
 - (4) The container shall be sent to the designated testing laboratory **on that day, or the soonest regular business day**, by courier or the fastest other method available.

APPENDIX I - DRUG TESTING PROCEDURE (continued)

G. In the event that the Employee tests positive following a GC/MS confirmatory drug test performed by a certified laboratory, the Employee will be interviewed by a certified Medical Review Officer, who will validate the drug testing result. The Medical Review Officer will inform the Employee of their option to split the initial sample, which will be forwarded to another federal certified laboratory and, if conclusive, the prima facie validity of the tests shall be deemed to have been established for the purpose of any subsequent hearings in reference to such testing. In the event an Employee refuses to have the testing done by two laboratories, pursuant to **Sub-subsection 5.** above, the hearing officer in a subsequent disciplinary hearing may draw a negative inference from such refusal, in determining the guilt or innocence of the Employee on charges of substance or alcohol abuse directly connected to the allegations which led to the testing.

All time required by the Employee to take the ordered test shall be considered time worked.

3. A. Within **four (4) working days** after the test, upon written request of the Employee, the Union shall have the right to resolve any dispute pertaining to the reasonableness of the suspicion the County may have had in implementing these procedures through **binding arbitration**.

B. The following arbitrators are designated, to be called on a rotating basis:

1. Joel Douglas
2. Bonnie Siber-Weinstock
3. David Brainin

If the arbitrator to be used is not available within **twenty days** of the date of the date of the grievance filed, then the arbitrator, as soon as available, shall be designated for the hearing. The cost of the arbitrator's fee and expenses shall be shared by the parties.

In the event of an arbitration hereunder, the results of the drug test(s) shall not be transmitted or communicated to the parties except by order of the arbitrator.

To the extent permissible by law, the arbitration procedure hereunder when resorted to by the Employee shall be the Employee's sole and exclusive remedy in the resolution of issues raised by this procedure.

No information gained through the Employee Assistance Program may be used as a basis for initiating such testing.

4. Actual drug testing procedures shall be as mutually agreed upon. If the parties are unable to agree to changes in procedure, the matter shall be resolved through arbitration before one of the arbitrators listed herein.

APPENDIX J

RETIREMENT

The County will continue to participate in, and to make contributions to, the **New York State and Local Retirement System (NYSLRS)** on behalf of eligible Employees.

The County will comply with the **New York State Retirement Law**, including any amendment thereto.

APPENDIX K

INCLEMENT WEATHER POLICY

The County of Westchester (the "County") and Civil Service Employees Association, Local 860, Local 1000, Unit 9200, AFSCME, AFL-CIO (the "CSEA") through their Special Labor Management Committee hereby agree that the following shall constitute the County's Inclement Weather Policy.

The County Executive may exercise his or her discretion to close County Offices due to inclement weather and similar conditions. On an annual basis, County Commissioners, Directors, or their designees, shall determine which titles and/or employees within certain titles are to be deemed essential personnel for purposes of this policy. This shall be done by October 1 of each calendar year for the following year, which date shall be subject to change, upon written mutual agreement between both parties.

In the event the County Executive closes County Offices due to weather or similar conditions, employees who are otherwise scheduled to work on that day and not on any type of leave, who are not deemed to be essential by County Commissioners, Directors or their designees will receive their regular compensation for that day without the use of contractual leave time. For the purposes of this policy, compensation shall be defined as the employee's applicable contractual rate of pay on that day.

Employees who are designated as essential, receive salaries, or are paid hourly, and in some cases, differentials, which reflect their essential nature and are required to report to duty despite the closure of County Offices. A list of titles entitled to a differential is attached hereto as Exhibit "A".

Essential employees who fail to report for work on a date or dates the County Executive closes County Offices due to inclement weather or similar circumstances may be subject to disciplinary action. In addition, an employee who is deemed to be essential who fails to report to work on more than one day upon which the County Executive has closed the County Offices due to inclement weather or similar circumstances shall be required to utilize their accumulated leave time to be compensated for their absence on the second and all succeeding inclement weather days.

In the event the County Executive closes County Offices on one or more full work days (which for purposes of this policy shall be defined as 8:00 a.m. to 6:00 p.m.) during the course of a calendar year, essential personnel who report to work for each of those work days they were otherwise scheduled to work or, if scheduled to be off from work, report for work if required to do so, shall be entitled to one (1) additional personal leave day added to their leave balances to be utilized in the following calendar year and for each year in which they meet the qualifications and requirements set forth herein.

APPENDIX K - INCLEMENT WEATHER POLICY (continued)

EXHIBIT A TO INCLEMENT WEATHER POLICY

The following is a list of County titles which are currently entitled to differentials for reasons including the fact that incumbents in those titles may be designated as essential personnel pursuant to the County's Inclement Weather policy. Not all titles designated as essential receive differentials and the list of titles that receive differentials can be modified through collective bargaining. Certain employees in titles in the County's Department of Adult Protective Services ("APS") who provide services similar to those in Child Protective Services ("CPS") were inadvertently omitted from the list of contractual titles that receive a differential. Employees in certain titles in APS were, thus, granted an annual differential of \$2,500, effective July 1, 2019 (prorated for 2019, as a result of the deliberations of the Special Labor Management Committee ("SLMC") which was created pursuant to the 2012-2021 Memorandum of Agreement between the County and CSEA.

Applicants for competitive examination shall be given notice of their approval at least four (4) days before the examination, by mail to the address stated in the application, or one day's notice by telegram.
- 6.3 Good moral character and habits and a satisfactory reputation shall be requirements for appointment to any position subject to these rules. Any applicant who is found to lack such requirements shall be disqualified for examination, or after examination, for certification and appointment.
- 6.4 A record of disrespect for the requirements and processes of law, including repeated traffic offenses or disregard of summonses for traffic offenses, may be grounds for disqualification for examination or, after examination, for certification and appointment.
- 6.5 The burden of establishing qualifications to the satisfaction of the Commissioner of Human Resources shall be upon the applicant. Any applicant who refuses to permit the Commissioner of Human Resources to investigate matters necessary for the verification of his qualifications or who otherwise hampers, impedes or fails to cooperate with the Commissioner of Human Resources in such investigation shall be disqualified for examination or, after examination for certification and appointment.

RULE 7. EXAMINATIONS

- 7.1 The Commissioner of Human Resources shall adopt a system to conceal the identity of the candidates' papers in a written examination until such written examination has been rated.
- 7.2 For examinations rated by the Commissioner of Human Resources, applications and examination records and papers of candidates shall be preserved until at least six (6) months after the expiration of the eligible list resulting from such examination, but in no event may records be destroyed except in accordance with the policies of the State Commissioner of Education and the State Civil Service Commission.
- 7.3 Every candidate in an examination shall be notified of his final rating and, if successful, of his relative position on the eligible list established as a result of the examination. Any candidate receiving such notice may inspect his examination papers in the office of the Commissioner of Human Resources and in the presence of a designated representative of the Commissioner of Human Resources, provided he makes request for such inspection in writing within the period of ten (10) days after the date of the post-mark of such notice. The application and examination papers of a candidate shall be exhibited only to the candidate. The application of an eligible who is being considered for appointment may be shown to the appointing officer.
- 7.4 A candidate who wishes to appeal to the Commissioner of Human Resources from his rating in one, or more, or all the subjects of an examination must submit such appeal in writing within twenty (20) days after the earliest date on which his examination papers were made available for his inspection. Such appeal must show that a manifest error was made in the original rating. Such appeal shall be

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

considered as opening all of the candidate's papers for review, whether resulting in a higher or lower average standing. No change in rating shall be made as a result of an appeal unless it shall affect the candidate's relative position on the eligible list.

- 7.5 For examinations prepared and rated under Section 23 (2) of the Civil Service Law, the State Civil Service Commission shall have sole and exclusive authority to correct any errors in rating upon appeal or otherwise. The review of papers by candidates and the filing of appeals in such examinations shall be governed by the rules and regulations of the State Civil Service Commission and Department.
- 7.6 The Commissioner of Human Resources may, at any time during the life of an eligible list resulting from an examination prepared and rated by the Department of Civil Service, request the correction of any clerical or computational errors in the ratings of candidates who competed in the examination at the direction of the New York State Department of Civil Service or as a result of an error in veteran's credits or seniority computations.
- 7.7 Any change in an eligible list pursuant to this rule shall be made without prejudice to the status of any person previously appointed as a result of such examination.
- 7.8 Rating keys shall be prepared for each examination held. Such keys shall be a permanent part of the record of each examination.
- 7.9 The marking of each competitor's examination shall be made on the scale of 100, which maximum shall represent the best performance possible, expected or attained, and 70 shall represent a performance meeting the minimum needs of the position to be filled. The Commission may, after the announcement of the examination is made, subdivide the written examination into parts and require a passing mark of 70 in each of the parts in order that candidates be considered further for eligibility. Notice of such arrangement shall be given in the instructions on the written examination. Where the written test is prepared and rated by the State Civil Service Commission in accordance with Section 23, subdivision 2 of the Civil Service Law, the provisions of the rules and regulations of the State Civil Service Commission and Department dealing with the rating of examinations shall apply.
- 7.10 After a candidate's rating has been determined, he shall be notified of such rating, unless he has otherwise been disqualified.

RULE 8. ELIGIBLE LISTS

- 8.1 The date of the establishment of a list shall be the date fixed therefore by the Commissioner of Human Resources and shall be entered on such list. The duration of all eligible lists shall be fixed by the Commissioner of Human Resources, shall not be less than one (1) nor more than four (4) years. Every candidate who attains a passing mark in an examination as a whole and who meets the standards prescribed, if any, for separate subjects or parts of subjects of the examination shall be eligible for appointment to the position for which he was examined and his name shall be entered on the eligible list in the order of his final rating; but if two or more eligibles received the same final rating in the examination they shall be ranked in accordance with such uniform, impartial procedures as may be prescribed therefore by the Commissioner of Human Resources.
- 8.2 Eligible lists shall be open to public inspection at the office of the Commissioner of Human Resources. The names of persons who failed to receive a passing grade on the examination shall not be disclosed to the public.
- 8.3 The Commissioner of Human Resources shall have the power in his discretion to correct any error and amend any eligible list where it is determined that an error has been made. The Commissioner of Human Resources shall have the power to revoke any eligible list where provisions of these rules were not properly or

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

sufficiently carried out; provided, however, that an eligible list shall not be revoked except after notice and an opportunity to be heard has been given to all persons whose names appear thereon. The reasons for such action shall be recorded and reported to the State Civil Service Commission.

RULE 9. CERTIFICATION

- 9.1 The Commissioner of Human Resources shall determine the eligible list most nearly appropriate for the position to be filled, and shall certify to the appointing authority a sufficient number of eligibles from which selection for appointment may be made. When the name of any eligible is included in a certification for appointment, the names of all other eligibles on the list having the same final rating as such eligible shall likewise be included in such certification.
- 9.2 A certification issued by the Commissioner of Human Resources to an appointing officer shall be valid for a period up to sixty (60) days from the date of its issuance. After the expiration date determined by the Commissioner of Human Resources, no appointment shall be made except from a new certification.
- 9.3 When an eligible is canvassed for appointment or is offered appointment in writing and fails to state his willingness to accept such appointment within ten (10) business days after the mailing of such canvass or offer, or before the end of the next succeeding business day if such canvass or offer is sent by telegram, the eligible may be considered ineligible for purposes of making selection for such particular appointment.
- 9.4 The name of the person declining appointment shall be eliminated from further certification from the eligible list unless declination is for one or more of the following reasons: (a) Insufficiency of compensation offered when below minimum of grade of the position for which the examination was held; (b) Location of employment; (c) Temporary inability, physical or otherwise, which must be satisfactorily explained by the eligible in writing. The Commissioner of Human Resources shall enter upon the eligible list the reasons for his action in such cases.
- 9.5 Except as otherwise provided herein, appointment or promotion to a position in the competitive class shall be made by the selection of a person on the most nearly appropriate eligible list who is willing to accept such appointment and whose final rating in the examination is equal to or higher than the rating of the third highest ranking eligible on the list indicating willingness to accept such appointment. The term "ranking" as used herein refers to the order in which the names of eligibles appear on the eligible lists as provided in Rule 8. A permanent appointment from the eligible list will result in the name of the candidate being removed from the list.
- 9.6 Whenever a vacancy exists in a position in the competitive class and an open competitive examination duly advertised results in three or fewer approved applicants for the examination, the appointing officer may nominate to the Commissioner of Human Resources one of the applicants who may be certified for appointment to fill the vacancy without further examination, provided that he has already qualified in an examination of equivalent character within the last four (4) years from the date of nomination.
- 9.7 Whenever one or more eligibles shall have declined any appointment offered and an eligible, whose relative standing is lower and who was reachable on the certification only because of the aforesaid declination, shall have been appointed to the position, the salary or compensation of such appointee shall not be increased, except by a service or a class-wide increase, within a period of six months after his appointment beyond that offered to the persons so declining.

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

RULE 10. PROMOTIONS

- 10.1 Any advancement of an Employee from a position in one title to a position in another title having either greater responsibilities or for which a higher maximum rate of pay is prescribed, shall be deemed a promotion, and shall be made only in accordance with the provisions of the Civil Service Law and these rules. All vacancies in the competitive class shall be filled by promotion as far as is practicable.
- 10.2 Promotion examinations shall be open so far as practicable to Employees having permanent status in a lower appropriate title or titles, and whose qualifications meet the minimum requirements established for the title to which they seek promotion, but in no case shall any person be eligible for appointment from a promotional list until six (6) months from the date of his permanent appointment in the lower grade position.
- 10.3 Any person who is nominated for non-competitive examination for promotion to a position and who fails to pass two successive examinations for such promotion shall not thereafter be eligible for employment in such position, except by appointment or promotion from an eligible list established following competitive examination.
- 10.4 Notwithstanding any other provisions of law, the Commissioner of Human Resources may, for entrance level positions as defined and designated by him, extend to Employees in the service of a civil division who are holding a position in the non-competitive class the same opportunity as Employees in the competitive class to take promotional examinations for which such non-competitive class service is determined by the Commissioner of Human Resources to be appropriate preparation if such examinations are to be held in conjunction with open competitive examination.
- 10.5 Promotion examinations for non-competitive class Employees shall, in addition to the requirements of the Civil Service Law, Section 52 (12), require that applicants shall have been employed in a full-time position at a salary level less than that assigned the position for which promotion examination is to be held.

RULE 11. PROBATIONARY APPOINTMENT

11.1 Probationary Term

- A. 1. Except as herein otherwise provided, every permanent appointment from either an open competitive list or promotion list and every original appointment to a position in the non-competitive, exempt or labor class shall be for a probationary term of not less than twelve (12) weeks, nor more than fifty-two (52) weeks.
2. Every permanent appointment from an open competitive Police Officer eligible list shall be for a probationary term of not less than twelve (12) weeks nor more than seventy-eight (78) weeks.

- C. An appointment shall become permanent upon the retention of the probationer after his/her completion of the maximum period of service or upon earlier written notice following completion of the minimum period of service that

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

- D. If the conduct or performance of a probationer is not satisfactory, his/her employment may be terminated at any time after the completion of the minimum period of service, and on or before completion of the maximum period of service. A probationer whose services are to be terminated, shall receive written notice at least one week prior to such termination, and copy of such notice shall be sent to the Commissioner of Human Resources.

11.2 Absence During Probationary Term

Any periods of authorized absence aggregating up to ten (10) work days during the probationary term, may, in the discretion of the appointing authority, be counted as time served in the probationary term. Any such periods of absences in excess of an aggregate of ten (10) work days, shall not be counted as time served in the probationary term. The minimum and maximum periods of the probationary term of any Employee shall be extended by the number of work days of his absence which, pursuant to this section, are not considered as time served in the probationary term.

11.3 Interdepartmental Promotions

An interdepartmental promotion means a promotion from a position in one Department to a position in another Department. Every interdepartmental promotion shall be for a probationary term of not less than twelve (12) weeks nor more than fifty-two (52) weeks. An appointment shall become permanent upon completion of the maximum period of service or upon earlier written notice following completion of the minimum period of service that his/her probationary term is successfully completed. A copy of such notice shall be sent to the Commissioner of Human Resources. For the purpose of this subdivision, the term "promotion" shall include the appointment of an Employee to a higher grade position in the competitive, non-competitive, exempt or labor class.

11.4 Restoration to Permanent Position

When a permanent Employee is promoted to a position in which he is required to serve a probationary term, the position thus vacated by him/her shall not be filled, except on a temporary basis, during such probationary term. At any time during such probationary term, the Employee shall have the right to return to his/her previous position upon reasonable notice to the appointing officers concerned. If the conduct or performance of the probationer is not satisfactory, he shall be restored to his/her former permanent position at the end of his/her probationary term.

11.5 Restoration to Eligible List

A probationer whose employment is terminated or who resigns before the end of his probationary term, may request in writing that his name be restored to the eligible list from which he was appointed, provided such list is still in existence. His name may be restored to such list if the Commissioner of Human Resources in his discretion determines that the probationer shall be given a second opportunity for appointment.

11.6 Temporary or Provisional Service in Higher Level Position

When an Employee who has not completed his probationary term is appointed on a temporary or provisional basis to a higher level position in the same Department, the period of temporary or provisional service rendered by such Employee in such higher level position, may in the discretion of the appointing authority, be considered a satisfactory probationary service in his lower position, and may be counted as such in determining the satisfactory completion of such probationary term. At any time after the expiration of the minimum period of the probationary

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

term, or the entire probationary term if it be one of fixed duration, the appointing authority shall, on request of such probationer, furnish his decision in writing as to whether or not service in such higher level position shall be considered as satisfactory probationary service. In the event of an adverse decision by the appointing authority, such probationer, at his request, shall be returned to his lower position for sufficient time to permit him to complete his probationary term. The employment of such a probationer in his lower position shall not be terminated at the end of his probationary term on account of unsatisfactory service unless he shall have actually served in such position, in the aggregate, at least the minimum period specified for such probationary term of the entire probationary term if it be one of fixed duration.

11.7 Removal During Probationary Term

Nothing contained in this rule shall be construed to limit or otherwise affect the authority of an appointing officer pursuant to Section seventy-five (75) of the Civil Service Law, at any time during the probationary term, to remove a probationer for incompetency or misconduct.

11.8 Police Officers

Notwithstanding any other provisions of these rules, the appointment or promotion of a police officer shall not become permanent unless and until he has satisfied such requirements as may be applicable to him under Section two hundred nine-q (209q) of the general municipal law. If a police officer is promoted to a higher rank for which he has met all requirements of eligibility for permanent promotion except the training requirements applicable under Section two hundred nine-q (209q) of the general municipal law, he shall be deemed to be on leave of absence from the lower rank position from which he was promoted pending completion of such training. During such period such lower rank position may not be filled except on a temporary basis. In the event of his failure to complete such training successfully within the time allowed therefore, he shall be restored to such lower rank position.

11.9 Intradepartmental Promotion

An intradepartmental promotion means a promotion from one position to another position under the jurisdiction of the same appointing authority. Every intradepartmental promotion shall be for a probationary term of not less than twelve (12) weeks nor more than fifty-two (52) weeks. An appointment shall become permanent upon completion of the maximum period of service or upon earlier written notice following completion of the minimum period of service that his/her probationary term is successfully completed. A copy of such notice shall be sent to the Commissioner of Human Resources. For the purpose of this subdivision, the term "promotion" shall include the appointment of an Employee to a higher grade position in the competitive, non-competitive, exempt or labor class.

- 11.10** The Commissioner of Human Resources may require that permanent appointment or promotions to designated positions shall be conditioned upon the satisfactory completion of a term of service as a trainee in such a position or in an appropriate, lower training title or the completion of specified training or academic courses, or both. The period of such term of training service shall be prescribed by the Commissioner of Human Resources. Upon the satisfactory completion of such training term, and of specified courses if required, an appointee shall be entitled to full permanent status in the position for which appointment was made. Any appointment hereunder shall be subject to such probationary period as is prescribed in these rules. Also, the employment of such person may be discontinued if his conduct, capacity or fitness is not satisfactory, or at any time if he fails to pursue or continue satisfactorily such training or academic courses as may be required.

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

RULE 12. PROVISIONAL APPOINTMENTS

- 12.1 Provisional appointments shall be made in accordance with the provisions of Section 65 of the Civil Service Law which provides that whenever there is no appropriate eligible list available for filling a vacancy in the competitive class, the appointing officer may nominate a person to the Commissioner of Human Resources, and if such nominee shall be certified by the Commissioner of Human Resources as qualified, he may be appointed provisionally to fill such vacancy until a selection and appointment can be made after competitive examination. A nominee for provisional appointment shall meet the minimum qualifications as stated in the official job specification for the position in order to be certified as qualified for provisional appointment by the Commissioner of Human Resources.
- 12.2 Termination of provisional appointments. A provisional appointment to any position shall be terminated within two months following the certification of an appropriate eligible list for filling vacancies in such positions; provided, however, that where there are a large number of provisional appointees in any Department or agency to be replaced by permanent appointees from a newly established eligible list, and the appointing officer or body deems that the termination of the employment of all such provisional appointees within two months following certification of such list would disrupt or impair essential public services, evidence thereof may be presented to the Commissioner of Human Resources, who may waive the provisions and authorize the termination of the employment of various numbers of such provisional appointees at prescribed intervals; provided, however, that in no case shall the employment of any such provisional appointee be continued longer than four (4) months following the establishment of such eligible list.

RULE 13. SUCCESSIVE PROVISIONAL OR TEMPORARY APPOINTMENT

- 13.1 No provisional or temporary Employee who has refused to take an examination held for permanent appointment shall be given another provisional or temporary appointment in the same position.
- 13.2 No provisional or temporary Employee who has twice failed an examination for permanent appointment, twice failed to appear for an examination for permanent appointment or any combination of the above shall be given another provisional or temporary appointment in the same position, provided, however, that upon written request from the appointing officer which shall include evidence of a lack of interested or available candidates, the Commissioner of Human Resources at his discretion may allow a third and final provisional or temporary appointment in the same position.

RULE 14. TEMPORARY APPOINTMENTS

- 14.1 Temporary appointments shall be made in accordance with the provisions of Section 64 of the Civil Service Law. A temporary appointment may be made for a period not exceeding three (3) months when the need for such service is important and urgent. A temporary appointment may be made for a period exceeding three (3) months under the following circumstances only:
- A. When an Employee is on leave of absence from his permanent position, a temporary appointment to such position may be made for a period not exceeding the authorized duration of such leave of absence.
- B. A temporary appointment may be made for a period not exceeding six (6) months when it is found by the Commissioner of Human Resources, upon due inquiry, that the position to which such appointment is proposed will not continue in existence for a longer period; provided, however, that where a temporary appointment is made to a position originally expected to exist for

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

no longer than six (6) months and it subsequently develops that such position will remain in existence beyond such six (6) month period, such temporary appointment may be extended, with the approval of the Commissioner of Human Resources, for a further period not to exceed an additional six (6) months. Successive temporary appointments shall not be made to the same position after the expiration of the authorized period of the temporary appointment to such position.

- 14.2 Temporary appointments from eligible lists. A temporary appointment for a period not exceeding three months may be made without regard to existing eligible lists. A temporary appointment for a period exceeding three months but not exceeding six months may be made by the selection of a person from an appropriate eligible list, if available, without regard to the relative standing of such person on such list. Any further temporary appointment beyond such six month period or any temporary appointment originally made for a period exceeding six months shall be made by the selection of an appointee from among those graded highest on an appropriate eligible list, if available.

RULE 15. EFFECT OF TEMPORARY OR PROVISIONAL APPOINTMENT ON STATUS OF APPOINTEE

- 15.1 Effect of temporary appointment on eligibility for permanent appointment. The acceptance by an eligible of a temporary appointment shall not affect his standing on the eligible list for a permanent appointment nor shall the period of temporary service be counted as part of the probationary service in the event of subsequent permanent appointment.

15.2 Provisional Appointment of Permanent Employee

When a permanent Employee is given a provisional appointment to another position in the same Department or agency, the position thus vacated by him shall not be filled on other than a temporary or a contingent permanent basis pending his reinstatement thereto upon failure of his provisional appointment to mature into permanent appointment.

RULE 16. TRANSFERS

16.1 Transfer of Eligibility for Permanent Appointment

Upon the written request of an individual, and the prospective appointing authority, and subject to the approval of the Commissioner of Human Resources, any individual serving in a competitive class position as a permanent appointee may be permanently appointed to another competitive class position subject to these rules without further competitive examination, provided:

- A. There is no preferred list appropriate for filling the position to which appointment is sought containing the name of an eligible willing to accept appointment; and
- B. There is no Departmental promotional list for the position to which appointment is sought containing the names of three or more eligibles willing to accept appointment; and
- C.
 1. The Commissioner of Human Resources determines that the examinations' scopes and qualifications for the positions held and to which appointment is sought are identical; or
 2. When the examinations' scopes and qualifications are not identical, the New York State Department of Civil Service has determined that the examination for the position held involved or would involve essential tests and qualifications the same as or greater than those of the position to which appointment is sought; and

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

D. The Commissioner of Human Resources determined that such appointment is for the good of the service.

- 16.2 Every Employee who has been transferred from a position under the jurisdiction of one appointing authority to a similar position under the jurisdiction of another appointing authority shall serve a mandatory probationary term of not less than twelve (12) weeks nor more than fifty-two (52) weeks. An appointment shall become permanent upon completion of the maximum period of service or upon earlier written notice following completion of the minimum period of service that his/her probationary term is successfully completed. A copy of such notice shall be sent to the Commissioner of Human Resources.

RULE 17. RESIGNATION

- 17.1 Resignation in writing. Except as otherwise provided herein, every resignation shall be in writing.

17.2 **Effective date**

If no effective date is specified in a resignation, it shall take effect upon delivery to or filing in the office of the appointing authority. If an effective date is specified in a resignation, it shall take effect on such specified date. However, if a resignation is submitted while the Employee is on leave of absence without pay, such resignation, for the purpose of determining eligibility for reinstatement, shall be deemed to be effective as of the date of commencement of such absence. Notwithstanding the provisions of this section, when charges of incompetency or misconduct have been or are about to be filed against an Employee, the appointing authority may elect to disregard a resignation filed by such Employee and to prosecute such charges; and, in the event that such Employee is found guilty of such charges and dismissed from the service, termination shall be recorded as a dismissal rather than as a resignation.

- 17.3 Withdrawal or amendment. A resignation may not be withdrawn, cancelled or amended after it is delivered to the appointing authority, without the consent of the appointing authority.

- 17.4 Effective date. For the purpose of this rule, where an Employee on leave of absence resigns, such resignation shall be deemed effective as of the date of the commencement of such leave.

RULE 18. REINSTATEMENT

- 18.1 A permanent competitive class Employee who has resigned may be reinstated without examination to the position from which he resigned, if then vacant, or in any vacant position to which the Employee was eligible for transfer or reassignment. An Employee who is laid off, in the same manner as an Employee who had resigned, shall be eligible for reinstatement by another appointing authority.

All reinstatements are subject to the following terms and conditions:

- The prospective appointing authority must request approval from the Commissioner of Human Resources to reinstate an individual.
- A reinstatement may not be approved to a position for which a preferred list exists containing the name of an eligible willing to accept appointment.
- With the exception of an Employee who is being reinstated to his/her former position within one year from resignation, a reinstatement may not be approved

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

to a position for which a Departmental promotion eligible list exists containing the names of three or more eligibles willing to accept appointment.

- The Commissioner of Human Resources shall determine if the reinstatement is for the good of the service

Reinstatements following a break in service of more than one year must also satisfy the following additional condition(s):

- The appointing authority must provide documentation or explanation that demonstrates to the satisfaction of the Commissioner of Human Resources that the individual requested to be reinstated possess current knowledge and skill in the occupational field to which reinstatement is sought.
- If the position to which reinstatement is sought requires successful completion of medical and/or physical agility tests for original appointment, the individual being reinstated must satisfy these criteria immediately prior to reinstatement.

In computing the one (1) year period any time spent in active service in the military or naval forces of the United States or of the State of New York, and any time served in another position in the civil service of the same municipality, shall not be considered.

- 18.2 Every Employee who has been reinstated to the position from which he resigned or in any vacant position to which he was eligible for transfer or reassignment shall serve a mandatory probationary term of not less than twelve (12) weeks nor more than fifty-two (52) weeks. An appointment shall become permanent upon completion of the maximum period of service or upon earlier written notice following completion of the minimum period of service that his/her probationary term is successfully completed. A copy of such notice shall be sent to the Commissioner of Human Resources.

RULE 19. PREFERRED LIST

- 19.1 Whenever, for reasons of economy, curtailment of activities, or otherwise, a person holding a permanent appointment to a position in the competitive class is demoted or separated from the service through no inability or fault of his own, the Commissioner of Human Resources shall enter the name of such person, the title of his position, the date of his appointment, and the date and reason for his demotion or separation from the service upon a preferred list. The Commissioner of Human Resources shall certify such list when a vacant position in that or a substantially similar title is to be filled. This preferred list shall contain the names of all eligibles in order of their standing and shall be certified before any other list. The eligibility for reinstatement of a person whose name appears on any such preferred list shall not be continued for a period longer than four (4) years from the date of separation or demotion.

19.2 Refusal or Failure to Accept Appointment from Preferred List

A. Relinquishment of eligibility for appointment. The failure or refusal of a person on a preferred list, after reasonable notice, to accept appointment therefrom to his former position, or any similar position in the same salary grade for which such list is certified, shall be deemed to be a relinquishment of his eligibility and his name shall thereupon be stricken from such preferred list. The name of such person may be restored to such preferred list, and certified to fill such appropriate vacancies as may thereafter occur, only upon the request of such person and his submission of reasons in writing satisfactory to the Commissioner of Human Resources for his previous failure or refusal to accept appointment.

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

B. Effect of refusal to accept appointment to lower grade position. A person on a preferred list shall not be deemed to relinquish his eligibility for appointment therefrom by reason of his failure or refusal to accept appointment to a position in a lower salary grade than the position from which he was suspended or demoted. The name of such person may be withheld from further certification for appointment to a position in the same or a lower salary grade as the position to which he failed or refused to accept appointment.

C. Restoration to eligibility for appointment not to affect previous appointments. The restoration of the name of a person to a preferred list, or his restoration to eligibility for certification therefrom to positions in a lower salary grade than his former position, shall not invalidate or in any manner adversely affect any appointment, promotion, reinstatement, or demotion previously made to any position to which such person would otherwise have been eligible for appointment from such preferred list.

RULE 20. LEAVE OF ABSENCE WITHOUT PAY

- 20.1 Any officer or Employee who is temporarily physically or mentally unable to perform his duties or who desires to engage in a course of study intended to increase his usefulness to the service, or who, for any reason considered good by the appointing officer desires to secure a leave of absence from his regular duties may be granted a leave of absence without pay for a period not to exceed one (1) year. Such leave of absence without pay shall be reported to the Commissioner of Human Resources in the form prescribed by him. Where a leave of absence without pay has been granted for a period which aggregates one (1) year, a further leave of absence without pay shall not be granted unless the Employee returns to his position and serves continuously therein for a period of three (3) months immediately preceding the subsequent leave of absence without pay. Notice of such subsequent leave of absence without pay shall be approved by the Commissioner of Human Resources.
- 20.2 In an exceptional case, the Commissioner of Human Resources may for good cause shown, waive the provisions of this rule to permit an extension of the leave of absence without pay for an additional period not to exceed in the aggregate two (2) years from the date of commencement thereof.
- 20.3 Failure of an Employee to return to his position on the date of the expiration of such leave of absence without pay or any authorized extension thereof shall be deemed a resignation from the service upon the date such leave of absence without pay commenced.

RULE 21. REPORTS OF APPOINTING OFFICERS

- 21.1 For the purpose of certification of payrolls and to enable the Commissioner of Human Resources to keep an official roster of the classified service as required by law, each appointing officer, from time to time, and upon the date of the official action in each case, shall report to the Commissioner of Human Resources all changes in the status of Employees including but not limited to:
- A. Every appointment or employment whether probationary, temporary or otherwise, in the classified service, with the date of commencement of service and the title and compensation of the position.

- I. Every reinstatement in a position, with the salary and date thereof.
- J. Every leave of absence, with the date and duration thereof.
- K. Every new position, giving a complete description of the duties thereof.

RULE 22. CERTIFICATION OF PAYROLLS

22.1 The Commissioner of Human Resources shall certify payrolls in accordance with Section 100 of the Civil Service Law.

22.2 Extended Certifications

The Commissioner of Human Resources may certify the employment of a person for a limited or extended period. No further certification shall be necessary for the payment of salaries or compensation to such a person as long as his salary and title grade remain unchanged and during such stated period except as to the payments for services in each fiscal year as follows:

22.3 Temporary Certifications

When the name of any person is first submitted for certification following his appointment, reinstatement, promotion, transfer, or other change in status, and the Commissioner of Human Resources requires further information or time to enable him to make a final determination thereon, the Commissioner of Human Resources may certify such person temporarily pending such final determination. In such event the Commissioner of Human Resources shall immediately request the necessary additional information from the appointing authority, who shall furnish forthwith. If such information is not furnished promptly, or if the Commissioner of Human Resources finds, following receipt of such information, that the employment of such person is not in accordance with the law and rules, the Commissioner of Human Resources shall immediately terminate such certification by notice to the appropriate fiscal or disbursing officer.

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

22.4 Refusal or Termination of Certification

Upon satisfactory evidence of intention to evade the provisions of the law and of these rules in assigning any Employee to perform duties other than those for which he was examined and certified or under any title not appropriate to the duties to be performed, the Commissioner of Human Resources shall refuse certification or terminate a certification previously made and then in force.

RULE 23. CLASSIFICATION PLAN

23.1 Titles of Positions and Title Specifications

Positions under the jurisdiction of the Commissioner of Human Resources shall be assigned to the appropriate titles by the Commissioner of Human Resources. Such application must set forth reasons in support of the requested reclassification, and must show changes in the duties and responsibilities of the position since the last determination with respect to its classification. The Commissioner of Human Resources shall give reasonable notice of any proposal or application for a change in classification to the appointing officer and to the Employee or Employees affected thereby. Any incumbent or his supervisor desiring to submit facts orally or in writing in connection with the reclassification of any position shall be afforded reasonable opportunity to do so. After an analysis of the changes in the duties and responsibilities of the position, the Commissioner of Human Resources shall assign the position to an appropriate class, or if no appropriate class exists, shall create a new class. No Employee, either by classification, reclassification, change of title or otherwise, shall be promoted, demoted, transferred, suspended or reinstated except in accordance with the provisions of the Civil Service Law and these rules.

RULE 24. GRADING OF POSITIONS

Unless the legislative body of a municipality under the jurisdiction of the Commissioner of Human Resources shall have adopted a compensation plan, then for the purposes of promotion, demotion, transfer and reinstatement, all positions in the competitive class shall be graded as follows:

GRADE 1. All positions, the compensation of which is at a rate of not more than \$6,000 per annum.

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

RULE 26. REMOVAL AND OTHER DISCIPLINARY PROCEEDINGS

Removal, disciplinary action, appeals from determinations in disciplinary proceedings and compensation of officers and Employees reinstated by court order shall conform to the provisions of Sections 75, 76 and 77, of the Civil Service Law.

RULE 27. LAYOFF OR DISPLACEMENT

27.1 For the purpose of this Rule the following terms shall mean:

- A. Direct line of promotion shall be strictly construed that in order to be considered as direct line all titles must have the same generic root.
- B. Next lower occupied title shall mean the title in direct line of promotion immediately below the title from which the incumbent is suspended or demoted, unless no one is serving in that title in that layoff unit, in which case it shall be the closest lower title in direct line of promotion in that layoff unit in which one or more persons do serve.
- C. Layoff Unit shall mean each Department of a County, City, Town, Village, each School District and each Special District. Authorities shall be deemed to be separate civil divisions.
- D. Satisfactory service shall mean service by an Employee during which he did not receive an "Unsatisfactory" performance rating and was not found guilty of misconduct or incompetency pursuant to Section 75 of the Civil Service Law which resulted in the imposition of any of the following penalties upon such Employee:
 - 1. Dismissal from the service, or
 - 2. Suspension without pay for a period exceeding one month, or
 - 3. Demotion in grade and title.
- E.
 - 1. Permanent Service shall start on that date of the incumbent's original appointment on a permanent basis in the classified service, however, in the case of disabled veterans, the date of original permanent appointment is considered to be sixty (60) months earlier than the actual date; while non-disabled veterans are considered to have been appointed thirty (30) months earlier than their actual date of appointment. For the purpose of this Rule the definition of what constitutes a veteran or disabled veteran is contained in Section 85 of the Civil Service Law.
 - 2. A resignation followed by a reinstatement or reappointment more than one year subsequent to the resignation constitutes a break in service. The original appointment date is to be determined from the date of reemployment; the prior service would not count.
 - 3. Temporary or provisional service preceding the original permanent appointment does not count. However, temporary or provisional employment immediately preceded and followed by permanent classified service employment does not interrupt continuous service.
 - 4. The permanent service of any Employee who was transferred from another civil division shall start on the date of his original permanent appointment in the classified service in the other civil division.
 - 5. If an Employee was covered-in to a classified position upon acquisition by a civil division of an agency in which he was employed, his seniority begins on the effective date of the cover-in. As between that Employee and others covered-in on the same date, they shall have the seniority held by them as among themselves in the agency before the cover-in.

27.2 Suspension

- A. When an occupied position in the competitive class is abolished, suspension is to be made from among those Employees holding the same title in the same layoff unit as the abolished position.
- B. Among permanent Employees, the order of suspension is the inverse of the order of their original permanent appointments in the classified service. See above definition of permanent service for veterans and disabled veterans. An exception to this rule is that the blind have absolute retention rights but only in their job status.
- C. A blind person may not back-date his permanent service if he also happens to be either a veteran or disabled veteran.
- D. A person is considered blind if he is so certified by the Commission for the Visually Handicapped of the New York State Social Services Department.
- E. When two (2) or more permanent incumbents of positions in a specific title are suspended, demoted or displaced at the same time, the order in which they shall be entitled to displace shall be determined by their respective retention standing, with those having the greater retention standing entitled to displace first.
- F. When several Employees were originally appointed on a permanent basis on the same day, their retention rights shall be determined by their rank on the eligible list from which they were appointed; that person having the highest rank having greater retention rights over those having lower ranks.
- G. Before any permanent Employee is suspended from such positions all Employees occupying these positions must be let go in the following order: provisionals, temporaries, contingent permanents.
- H. Probationary Employees occupying such positions in the same title, must also be suspended before any permanent Employee in the layoff unit in that title who has completed his probationary period. Probationary Employees do, however, have superior retention rights to those of contingent permanent, temporary and provisional Employees.
- I. The order of suspension among probationary Employees shall follow the same principles as that among permanent Employees.

27.3 Vertical Bumping

- A. Vertical bumping occurs when an Employee in a specific title to which there is a direct line of promotion, who is himself suspended or displaced, displaces an Employee in the next lower occupied title in direct line of promotion in the same layoff unit having the least seniority if the Employee who seeks to displace has greater retention standing.
- B. Where the layoff involves more than one position in a title, the order of displacement will be the inverse of the order of suspension. That is, the most senior of the suspended Employees will be the first to displace. This shall apply to both vertical bumping and retreat.
- C. If an Employee refuses to displace a junior incumbent he must be laid off. This, however, does not protect the junior incumbent from being compared in retention standing with other incumbents, if other positions at the higher level are being abolished.

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

- D. When a next lower title has been occupied by means of displacement regardless of when the displacement into the title has occurred, it is considered to be occupied for further displacement purposes; however, a next lower title which has all of its positions abolished at the same time as positions are abolished at the higher level cannot be considered as occupied. A title which is occupied by an incumbent, temporary, provisional, contingent permanent, probationary or permanent is considered occupied for the purposes of this section.

27.4 Retreat

- A. Retreat occurs when and only when there is no lower occupied position in direct line of promotion at any level.
- B. An Employee may retreat by displacing the incumbent with the least retention right who is serving in a position in the title in which the displacing incumbent last served on a permanent basis prior to service in the title from which he is currently suspended or displaced. Retreat may only occur where the position in the title formerly held by the displacing incumbent is occupied in the competitive class, in the same layoff unit, and at a lower salary grade; the service of the displacing incumbent while in the former title must have been satisfactory, and the junior incumbent must have less retention standing than the displacing incumbent.
- C. The service of the displacing incumbent in the title to which he is retreating need not have been in the same lay-off unit as the one from which he is displaced.
- D. An Employee may also displace by retreat to a position in a title he last served on a permanent basis although he had intervening service in other titles as long as his service in each of the intervening titles was on other than a permanent basis. He may also displace by retreat to a position which does not count in the computation of his continuous service.
- E. Where a title change has been effected to better describe the duties of a position but the duties have not substantially changed since the suspended Employee last served in that title the new title will for retreat purposes be deemed to be the former title.

- 27.5 An Employee who refuses to accept an appointment afforded by displacement for whatever reason waives all rights regarding the displacement; however, this Employee's name will be entered on an appropriate preferred list.

- 27.6 An appointing authority may take such steps as it may deem necessary in order to secure binding written commitments in advance of suspension, demotion or displacement from Employees potentially affected by such suspension, demotion or displacement as to their willingness to accept reassignment or displacement.

RULE 28. INVESTIGATIONS

- A. The Westchester County Department of Human Resources may conduct investigations concerning the qualifications of candidates, eligibles and appointees for County positions or public authorities under the jurisdiction of the Commissioner of Human Resources. The scope of these investigations may include training, experience and character qualifications or any area pertinent to the suitability of the candidate, eligible or appointee for employment. The investigation of candidates, eligibles or appointees shall be as complete as is necessary to make an informed evaluation and determination. This may include the taking of fingerprints and physical descriptive data of such candidate, eligible or appointee.

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

- B. Each case involving a criminal conviction shall be considered on its own merits. A candidate, eligible or appointee shall not automatically be disqualified or barred from appointment solely on the basis of a criminal conviction unless mandated by statute.
- C. In review of the criminal convictions full consideration shall be given to the following:
 - 1. Nature and seriousness of offense;
 - 2. Circumstances under which the offense was committed;
 - 3. Lapse of time since the offense was committed;
 - 4. Individual's age at the time of the offense;
 - 5. Social conditions which may have fostered the offense;
 - 6. Relationship of the nature of the offense to the position sought;
 - 7. Number of criminal convictions;
 - 8. Honesty of the candidate in admitting the conviction record; and
 - 9. Evidence of rehabilitation as demonstrated by the individual's good conduct while in correctional custody and/or the community; counseling or psychiatric treatment received; acquisition of additional academic or vocational schooling; successful participation in correctional work-release programs and the recommendations of persons who have or have had the applicant under their supervision.

RULE 29. CONTINGENT PERMANENT APPOINTMENTS

- 29.1 A position left temporarily vacant by the leave of absence of the permanent incumbent may be filled, at the discretion of the appointing authority, by a contingent permanent appointment through the use of an open-competitive or promotion eligible list. Any person appointed on a contingent permanent basis shall have all the rights and benefits of a permanent competitive class Employee subject to the following limitations:

A. Probationary Period

All appointments under this rule shall be required to complete the probationary period for original appointment or promotion as prescribed in these rules.

B. Return of Incumbents

In the event of layoff or the permanent incumbent returns from leave of absence, persons holding positions on a contingent permanent basis shall be displaced before any persons holding permanent status in the same title regardless of total seniority. In the event more than one position in the same title is held by persons having contingent permanent appointments, displacement among those persons shall be based on their respective retention standing as detailed in Rule 27.

C. Preferred List

Upon displacement, if the contingent permanent appointee was made from a promotion eligible list, he shall be restored to his/her permanent position and have their name placed on a preferred eligible list for certification as a mandatory list only to the Department or agency in which the contingent permanent

APPENDIX L - WESTCHESTER COUNTY CIVIL SERVICE RULES (continued)

appointment was made. If the contingent permanent appointee was appointed from an open-competitive eligible list and does not have a permanent position to return to, he shall have their name placed on a preferred eligible list for certification as a mandatory list in the civil division in which the contingent permanent appointment was made.

D. Seniority

When a contingent permanent appointment matures into a permanent appointment, the date of permanent service shall be the date of the original contingent permanent appointment.

E. Promotion

When a permanent competitive class Employee accepts a contingent permanent appointment, the position vacated by such Employee shall not be filled except on a temporary or contingent permanent basis until the contingent permanent appointment matures into a permanent appointment.

F. Leave Without Pay

Any individual receiving an appointment under this rule may receive the same leave without pay entitlements associated with permanent competitive class status except any such leave and appointment under this rule may be terminated upon the return of the permanent incumbent as described in (2) above.

- 29.2 All appointments under this rule shall be canvassed as "permanent-contingent permanent". A copy of this rule must be included with the canvass letter.
- 29.3 Appointments to contingent permanent positions shall be made by selection of one of the top three candidates on an appropriate eligible list willing to accept a contingent permanent appointment; there will be no recanvassing of the eligible list in the event the contingent permanent position becomes unencumbered. Acceptance of a contingent permanent appointment will remove the person's name from the eligible list for any future contingent permanent or permanent vacancies within the Department or agency in which the contingent permanent appointment was made.
- 29.4 If a permanent vacancy becomes available in the same title in the Department or agency in which a contingent permanent appointment has been made, contingent permanent appointees shall be offered reassignment, prior to canvassing for a permanent appointment from an appropriate eligible list or prior to appointing a temporary or provisional to the positions.
- 29.5 When a position filled by a contingent permanent appointee becomes unencumbered, the contingent permanent appointee in that position shall immediately gain permanent competitive class status in the class if the required probationary period as prescribed in this rule has been satisfactorily completed.
- 29.6 Upon approval of this rule all individuals holding temporary appointments from eligible lists to encumbered positions shall have their temporary appointments changed to contingent permanent appointments and shall thereafter be governed by the provisions of this rule. (Approved by NYS Civil Service Commission May 4, 1988.)
