

Glen Island Public Information Meeting

About the Project

The Glen Island Bridge Reconstruction Project will provide much needed safety improvements, upgrading the bridge deck, providing steel repairs, electrical and mechanical upgrades, newly painted arches, and masonry improvements.

During construction, a temporary bridge will be installed next to the existing bridge to allow **unimpeded access to Glen Island throughout the duration of the project.**

The existing harbor navigation channel WILL BE MAINTAINED throughout the entire project.

Meeting Details

Tuesday, March 19, 2024
6:00 p.m.

New York Athletic Club
Travers Island
31 Shore Road
Pelham, NY 10803
