

Employee Health and Wellness

Westchester County wants you to be healthy. Whether you're a current employee or one of our retirees, there are things – big and small – you can do to live a healthier lifestyle and live longer.

UMR

Access your benefits, claims and eligibility data on the [UMR website](#) .

Resources

24/7 Nurse Line and Health Information Library  This resource is for all employees.

New York State Smoker's Quitline : Do you smoke? This is a free and confidential smoking cessation program providing evidence-based stop smoking services to New York State residents who want to stop smoking or using other forms of tobacco. There are programs available for [Connecticut residents](#)  and [New Jersey residents](#)  as well. For those outside the tri-state area, check with your state's Department of Health to see what free programs may be available.

Healthy Lifestyles (http://health.westchestergov.com/): Learn about everything from smoking and asthma to obesity and diabetes, healthy heart and cancer, stop smoking, detect cancer early, fight obesity and diabetes. Learn about STDs and AIDS, steroids, hand washing.

Fit Kids: (http://health.westchestergov.com/fitkids-) The Fit Kids program can give you all sorts of tips about programs to beat childhood obesity and encourage good nutrition.

Exercise and Activities (http://parks.westchestergov.com/parks-and-destinations/sports-leisure): There's always something to do in Westchester. Check out the county parks and all they offer, as well as Bicycle Sundays, golf courses, hiking and biking trails, swimming pools, etc.
